Relationship: Leader of the IT
department for a large church
conference where I volunteered and
assisted with technical support

OBJECTIVE

Motivated and detail-oriented final-year IT Applications Development student at the Cape Peninsula University of Technology, with hands-on experience in Java, JavaScript, HTML and SQLiteStudio. Equipped with a solid foundation in software development, I am eager to apply my programming skills to analyze data and developing data-driven solutions. I am seeking an opportunity where I can leverage my technical skills, driven-knowledge and project management experience helping to refine and contribute to impactful projects.

EDUCATION

- **Cape Peninsula University of Technology**
Diploma: ICT in Applications Development – 2023-Current
- **Princess High School**
National Senior Certificate- Graduate Date: December 2021

TECHNICAL SKILLS

- **Programming Language:** Java
- **Script Language:** JavaScript
- **Database:** SQLiteStudio
- **Text Editor:** Notepad++

SKILLS

- Computer skills
- Microsoft Word
- Teamwork and collaboration
- Flexible and adaptable
- Organization and time management

PROJECT

Crime Reporting App

February-November 2024 | University Project

- Developed a mobile-friendly crime reporting application to facilitate real-time incident reporting.
- Role: Front-end Developer. Designed wireframes and improved user experience.
- Tools: Notepad++

- Achievement: Successfully implemented an intuitive Ui, optimized for accessibility.
